

Training & Workshops

Empowering caregivers, volunteers, and healthcare professionals with the skills to provide compassionate palliative care.

Our Training Modules

We offer a comprehensive curriculum designed to cover all aspects of palliative care, from medical basics to emotional support.

- 

Introduction to Palliative Care
Understanding the philosophy and principles of end-of-life care.
- 

Pain & Symptom Management
Basic techniques for managing pain and common symptoms in home settings.
- 

Communication Skills
How to talk to patients and families about difficult topics with empathy.
- 

Psychological & Spiritual Support
Addressing the emotional and spiritual needs of patients.

Join Our Next Session

Our workshops are held regularly throughout the year. Whether you are a student, professional, or family member, you are welcome to join.

Next Workshop:
Basic Palliative Care for
Volunteers
Date: To be announced
